EARNEST, PAITHFUL AND COURAGEOUS, IN DEFEASE OF THE PEOPLE'S RIGHTS.

OKOLONA, MISSISSIPPI, THURSDAY, MARCH 24, 1881.

Combine the choicest cathartic principles in medicine, in proportions accurately adjusted to scure activity, certainty, and uniformity of effect. They are the result of years if careful study and practical experiment, and are the most effectual remostly yet discovered for discusses caused by derangement of the stomach, liver, and bowels, which require prompt and effectual treatment. Aven's Plans are specially applicable to this class of discusses. They are directly on the digestive and assimilative processes, and restore regular healthy action. Their extensive me by physicians in their practice, and by all civilized nations, is one of the many proofs of their value as a safe, sure, and perfectly reliable purgative mechains. Being compounded of the concentrated viction of purely vegetable automices, they are positively free from calcumel or any injurious properties, and can be administered to chisiren with perfect safety.

Atta's Pints are an effectual cure for Constituation or Costiveness, Indigention, Dyspepsia, Loss of Appetite, Foul Stomach and Breath, Dizziness, Handache, Loss of Memory, Sumbness, Biliousness, Jaundice, Rheumatism, Eruptions and Skin Pissuses, Dropsy, Tumors, Werms, Neuralgia, Colle, Gripes, Diarrines, Dysentery, Gont, Piles, Discreters of the Liver, and all other diseases resulting from a disordered IVANUON No. 10, meets fourth Thursday night in each mouth. J. S. CAIN, E. C. state of the digestive apparanta.

As a Dinner Pill they have no equal. While gentle in their action, these Prize are the most thorough and searching cathartic that can be crapicyas, and never give pain unless the bowle are inflamed, and then their influence is building. They stimulate the appearite and sugestive organs, they opened to parify and earliet the blood, and impair reserved health and vigor to the whole swater.

WASHINGTON LETTER.

Warmington, IV. C., March 11, 1881. This Administration has no debts The tenant may make his own cono pay for irregular services renderwhom he pleases. He has the same election day. In this respect it is a the consequence is that the public lives, as the Crar's assessies did, dight to mortgage for supplies now the improvement on the preceding roads, generally, are simply abomitine impulse to do so must have had that he had before. His liberty is the impulse to do so must have had in no way interfered with. Any per security spars and spars and spars and security spars and give us new men in place of and teams, the loss of time in get merty to take a marigage and supply those who received office in ting to market, the amount arrived a tenant. In this respect there is no 1877 as a reward for discreditable at would be astonishing, and would change in the law. Under the former law the landlord had priority only for supplies fernished before her that Dorsey and Jewell have been on broken wheels and axles, slone, had uctual notice of a mortgage left out in the distribution of pat sould amount to a considerable sum. ther person. If the tenant gives a largest corruption fund to Indians in and comfortable travel this immense wrong have trained up thousands of such in Russia. As at the end of the fast century, so now, feerful times are contary, so now, feerful times are contary. So now, feerful times are contary, so now, feerful times are contary. So now, feerful times are contary, so now, feerful times are contary, so now, feerful times are contary, so now, feerful times from him alone, the landlord will Garded during the campaign to not be better to pay a direct tax to promise office to a New York pollular time former law and obtains supplies from him and contortable traver this immense and comfortable traver this immense and comfortable traver this immense are law, and the latter orged are hardly able to lose it. Would it now be better to pay a direct tax to promise office to a New York pollular than the promise of the opthe former law, and is now. If the a broker between the Republican be heavy for a year or two? Would tenant get supplies from his isndiord his hen therefor is superior to the claims of all others. The only hazand to the third person in taking a officials appointed or to be appointed our legislators, and it should be agmortgage and furnishing under it is that the tenant may obtain supplies from his landlord also, in which case the claim of the landlord would be This is because they wish to insugparamount, but the possible knav- wrate a campaign of interference with

## Public Roads.

The system of working the public roads in this State is a humbug, an utter failure. The law is urcless,

On yesterday afternoon Gilhooly sauntered up to a fruit stand, and after examining some of the fruit asked the major general in command if he believed in the Bible. "I do," was the reply: "I have

been a member of the Baptist Church for twenty-five years." "If you believe in the Bible, then I suppose you admit that men are cayed spot as big as a half dollar on

it. The kick that good man dis-charged at Gilhooly knocked a hole
